### Easy Health - Family Health Insurance Plan

Easy Health Plan will help protect you against spiraling medical costs and also guide your family on the path of wellness, hence, its truly a double protection of prevention and cover. It is broad cover for treatment against illnesses and accidents requiring in-patient hospitalization and also features an optional Critical Illnesses cover.

### How does a Family Floater Policy work?

Suppose Mr. Kumar, his wife and their son are covered for Rs. 1Lakh each, under a regular Health Insurance Plan. They would have then paid a premium for 3 policies of Rs. 1 Lakh each . In an unforeseen situation, if the medical bill for hospitalization of their son amounts to Rs. 1.8 Lakh, the regular policy would cover only up to Rs. 1 Lakh, while the remaining amount of Rs.80,000 would have been paid by Mr. Kumar even though there is no claim on the other two policies.

But if Mr. & Mrs. Kumar opt for an Easy Health Family Insurance Plan under any variant, the cover of Rs. 3 Lakh would be shared among the entire Kumar family. Which means, the family individually and together, enjoy an insurance cover of upto Rs. 3 Lakh (total claim made by the family to be of Rs. 3 Lakh) . Hence for a similar situation as above, Mr. Kumar would benefit while claiming the complete Rs. 1.8 Lakh under the Family Floater Policy.

The Easy Health Family Plan is available in 3 variants: Standard, Exclusive and Premium. The cover amount ranges from Rs. 2,00,000 to Rs. 10,00,000 based on the product variant.

The plan provides for in-patient hospitalization expenses and is designed to cover expenses such as: diagnostic procedures, boarding and lodging, the intensive care unit, operation theatre, anesthesia, blood, oxygen, surgical appliances, cost of prosthetic and other devices or equipment (if implanted internally during a surgical procedure), medicines, drugs and consumables, nursing and medical practitioner charges as per the policy schedule.

### Points to Remember

1. Easy Health Insurance Plan will offer cover to persons from the age of 5 years onwards. A dependent child can be covered from the 91st day if either parent is covered under this policy. **There is no maximum cover ceasing age in this policy.**
2. The cover will be valid for a period of 1 or 2 year(s) as opted. An additional **7.5% discount** is offered on premium for opting a 2 years policy.
3. An individual and/or his family members namely spouse, dependent children and dependent parents are eligible for buying this cover.
4. The cover will be provided on a floater sum insured basis.
5. For sum insured option of Rs. 2,00,000 the maximum entry age is 65 years whereas for other sum insured options the maximum entry age is 60 years.
6. The premium for the policy will remain the same for the policy period as mentioned in the policy schedule.
7. Please note that your premium at renewal may change due to a change in your age or changes in the applicable tax rate.
