A smart first step

Simple, yet comprehensive; this defines Bharti AXA's SmartDrive Two-Wheeler Insurance Policy. This policy provides protection against liabilities arising out of an unfortunate eventuality. Apart from two-wheelers, this policy also covers auto-cycles and mechanically assisted pedal cycles.

What does this policy cover?

The policy provides cover for the following occurrences:

1. Accidental damage to the vehicle
2. Liability for third-party injury or death, and damage caused to their property
3. By paying an additional premium, you can opt for extra covers in case of:
 - Loss or damage to electrical and non-electrical accessories
 - Personal accident cover for the insured and any named or unnamed passenger(s)
 - Legal liability to persons employed (paid drivers/cleaners)
 - Legal liability to employees of the insured (other than paid drivers/cleaners)

Life is a pleasant journey, except for occasional speed breakers. Worsening traffic conditions make our roads increasingly unsafe day by day. Thus, if you own a two-wheeler, think smart!

What does this policy not cover?

Some of the major exclusions under the policy are:

- Consequential loss
- Depreciation; wear and tear
- Mechanical and electrical breakdown; failure or breakage
- When the vehicle is used outside the geographical area
- When used contrary to limitations as to use
- When driven by a person other than the driver stated in the driver's clause
- War perils, nuclear perils and drunken driving

This is not an exhaustive list. For a detailed list of the exclusions, please read our policy terms and conditions.

Getting started, smartly!

Here's what you need to do, to get your very own SmartDrive Two-Wheeler Insurance Policy:
