and	beneficial ownership of accounts, source of		perations in the account	nes set by IRDA. It involves making reasonable efforts to determine true identity in relation to the customer's business, etc., which in turn helps the financial unintentionally by criminal elements for money laundering.						
⊣nsu ⊣	tutions to manage their risks prudently. The obj	jective of the KTC guidelines is to prevent imancial institution	ing useu, intentionally of t	unintentionally by criminal elements for money laundering.						

SYYC is applicable to customers of insurance for customer identification, means identifying the customer and verifying his/ her identity by using reliable, independent source documents, data or information. KYC has two components - Identity and Address. While identity remains the same, the address may change and hence the financial institutions are required to periodically update their records.

| Components - Identity and Address - Identity remains the same, the address may change and hence the financial institutions are required to periodically update their records.
