

**There are more concrete ways
of protecting your home...**

You worked harder, longer and saved every penny to give your loved ones the security of a home. A home that they could call their own. It's only understandable that you should want to secure your most important asset from any possible kind of natural or man-made catastrophe.

Need for Home Insurance

- In the earthquake that took place in Bhuj in 2001, 90% of the homes were destroyed.♣
- In the 2005 Mumbai floods over 1.75 lakh houses were damaged.♣
- In the 2004 Tsunami, 93,000 houses were destroyed in Sri Lanka, out of which less than 2% were insured. India and Sri Lanka suffered economic losses worth \$1000 mn each (Rs. 4000 crores) and insured property losses worth \$ 100 mn each (Rs. 400 crores).#

Why TataAIG's Home Insurance?

- It makes home insurance quicker and easier than it has ever been.
